KNOWING MEANS PROFITS—SUCCESS GUESSING MEANS LOSSES—FAILURE

If the results of the past year have not been what they should, or the PROFITS as large as anticipated, you should not GUESS as to the cause, you should KNOW.

The mere checking of items from one book to another (which does not prove anything except that the items are properly posted) will not tell you, but our analytical audit and investigation will.

Our reports give you a thorough analysis of your business and submit the cold bare facts.

BUSINESS COLLEGES

New York Commercial School

MADISON AVENUE, at 86th Street ESTABLISHED JANUARY, 1910 **PHONE, LENOX 6800**

SELECTING YOUR SCHOOL

A Business Education is the surest, shortest, and least expensive route to a first-class position and independence.

This school gives such a course at a nominal cost in the briefest period of time consistent with thoroughness.

Both day and night classes are open throughout the year.

The day sessions begin at 9 A. M. and continue until 3 P. M. with an hour for noon Luncheon.

The night sessions are held Monday, Tuesday, Wednesday, and Thursday from 7:30 to 9:30.

No entrance examination is necessary because we are more concerned about a student's education when he leaves than when he begins.

Reports are sent monthly to parents or guardians.

By our individual method of instruction, students may enter at any time and pursue the course as rapidly as their ability will permit them. They are not put into classes and delayed in progress by students who are less apt in their work.

A course in the "New York Commercial" means a good paying position, because our students stand higher on the average in passing the examinations which are required. This is due to the superior knowledge of our teachers and their unexcelled methods of teaching.

If you have any thought of learning any business subject we trust that you will telephone or call at the school and we shall be pleased to assist you in determining the branches necessary to your success.

Parents or guardians are notified of students' absences upon the same day as they occur.

PENMANSHIP

We attach the utmost importance to proper penmanship instruction for all students. All who write poorly can greatly improve their penmanship under a capable teacher who insists that those in his charge give ample time and care to their work. Our students enjoy the advantage of penmanship training taught by one of America's best penmen.

SHORTHAND PENMANSHIP

A method whereby students make small, clearly cut, uniform and accurate notes, which they will be able to read quickly and intelligently, thereby gaining a speed of from forty to sixty words faster per minute than could be accomplished otherwise.

A series of lessons on this subject have been written and copyrighted by our instructor, Prof. Blue, and published in Isaac Pitman's Journal, a high-class periodical.

The Sign over your door

It is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

The **City Directory** is where many people look when they want to find you. You should make it easy for them to find you by putting in the directory such information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.

Send for the City Directory Advertising Man and let him explain this to you in detail.

JAMES E. NICHOLS

one of the founders and for thirty years the head of the firm of

AUSTIN, NICHOLS AND COMPANY

and since the incorporation a director, died at Marienbad, Austria, July 21st. His former partners and fellow-directors find it difficult to express in a brief and formal resolution their sense of personal loss in his death.

Through all these years of our intimate association we have looked up to him as the head of this business: his judgment has been so sure, his counsel so valuable, his experience so wide, his personality as a merchant, a banker and a man so strong, that not only in name but in fact he has been our leader. And although since his retirement from active business in 1909 he has been with us but a small part of the time, we have appreciated, if it were possible more than before, his advice and encouragement.

We, who were his associates, feel that such association was a lifetime privilege and in all the years to come we will have the memory of his life and character to still guide and inspire us. While our loss is incalculable, we fully realize how much greater is that of his wife, and to Mrs. Nichols we extend our deepest sympathy.

Resolved, that the above record be entered in the minutes of this Corporation, and a copy of same be presented to Mrs. Nichols.

The Sign over your door

IT is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

The **City Directory** is where many people look when they want to find you. You should make it easy for them to find you by putting in the directory such information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.

Send for the City Directory Advertising Man and let him explain this to you in detail.

Where Service Is Paramount

and evident in every department. The numerous divisions of

"The World's Greatest Hotel"

are so thoroughly well-planned and efficiently conducted that the needs and wishes of every patron are personally known to the controlling management.

The McAlpin is delightfully different from the ordinary hotel. Notwithstanding its great size, it has an inviting and charming "atmosphere"; it fulfills in all ways the highest ideals of comfort combined with entertainment.

McAlpin Restaurant tariffs are modest, and not at all commensurate with the high reputation of the McAlpin Cuisine.

THE EVENING MAIL

203 Broadway, New York

Why is it that some of our friends are nearer and dearer to us than others? We don't always know why, but there is a difference just the same.

There is an atmosphere about the Evening Mail which seems to bring it very close to the hearts of its readers.

There are many newspapers and they all have their readers, but those who read the Evening Mail read it because it seems to them to be their paper, in which they have almost as much interest as the proprietors.

This kind of a newspaper is always a valuable advertising medium.

For any information address

THE EVENING MAIL

203 Broadway, New York

There is one daily newspaper in America, which while it does not have the largest daily circulation, is greater in its influence than all others

It is *The New York Evening Post* and sells for 3 cents a copy every evening except Saturdays, when the price is 5 cents.

The New York Evening Post was established in 1801 and has been published continuously since. People of account in, around or about New York and throughout the United States read *The New York Evening Post*. It is a man's paper as well as a woman's paper.

Advertisers who wish to reach people of quality must use *The New York Evening Post.*

Main Office, No. 20 Vesey Street, New York City.

Subscription terms:
One Year $10. Six Months $5.
Saturdays Only With Illustrated Magazine and Financial Section $2.50.
(Sample copy mailed on request.)
